WHAT IS THE "DESERT RUN"?

The Desert Run is a 4-wheel drive course between 15-20 miles long with 5 game playing stations along the way and the ½ waypoint has a porta-potty. You'll encounter some rocks, sandy washes, hills and some extreme areas for the hardcore enthusiast. If you don't feel comfortable with an obstacle, we'll direct you to the easy way around. Our event is co-sponsored by the Bureau of Land Management (BLM) and held at Means Dry Lake in Johnson Valley, CA. Our event will have plenty of family fun at Base Camp and a course sure to please everyone. Last year, we gave away over \$10,000 in prizes! Over 450 vehicles participate annually, making the total attendance at approximately 1800 people. There will be a Truck/Jeep Teeter-Totter, Vehicle Articulation Ramp, Kids Games, Bounce House, Vendor Displays and much more!

WHO CAN ENTER?

Anyone who can legally drive his or her off-road vehicle in rough terrain. This is a family event and we encourage the whole family to participate. We offer a course designed to challenge everyone's skills; whether it's your first time out in your new sport utility or your hundredth in your reconditioned land rover, you're sure to have a great time! We've included an easy way around tough obstacles. Entering allows you to play 5 different games and become eligible for the door prizes, given away after the event. This is a **family event**; not a race! So bring the kids and plan on a good time. Course length is between 15-20 miles through the desert, so be sure to bring plenty of water and gas for everyone in your vehicle.

FACILITIES

There is open camping permitted. We provide port-o-johns, a first aid station, a chuck wagon and a trash dumpster at Base Camp. Trash bags are included with your entry packet. Hot food and drinks will be available on Friday till 7PM, Saturday 7AM till 7PM & Sunday 7AM till 10AM at Base Camp. It's 15 miles to the nearest town so bring plenty of **water, ice, food and gas!**
